## Stark ARThology

### Stark County Art • Stark County Artists

Edited by Jessica Bennett • Foreword by David C. Kaminski

The mark of universally great work is substance. Sheer, thought-provoking substance. Stark ARThology is a visual call-to-arms for the artists of Stark County, Ohio, and the result is a substantive, explosive exhibition bound in paper.

For the first time in one anthology come 69 of Northeast Ohio's most talented, eclectic and diverse artists, showcased through their work, their words and provocatively austere portraiture.

Included in this compelling collection are works in oil, acrylic and watercolor, in photography, pen and ink, pencil, digital design, fibers, sculpture, pottery, metal and mixed media.

Stark ARThology is made possible through ArtsinStark and a portion of the proceeds from each sale will benefit the SmArts program, an educational initiative designed to bring the arts into our schools to create smARTer kids.
